

How You Help the Jimmy Fund Defy Cancer

Your donation adds up.

Here are some examples of how donations from the PMC community could make an impact at Dana-Farber Cancer Institute:

\$40 may help provide new toys for pediatric patients in the Jimmy Fund Clinic

\$500 may help support a breakthrough clinical trial for cancer patients

\$100 can help fund screenings for skin, breast, and prostate cancers

\$1000 can help fund needs-based help for families facing financial hardships during a cancer diagnosis

Everyone in our community is an important partner in The Dana-Farber Campaign, our ambitious, multi-year fundraising effort to prevent, treat, and defy cancer. When you contribute to the Jimmy Fund, you are supporting adults and children with cancer, and funding the brightest minds and committed caregivers. Each donation during The Dana-Farber Campaign, no matter its size, adds up to provide patients with compassionate, personalized care, and keeps Dana-Farber at the forefront of cancer medicine.

As a community, we have the power to create a more hopeful, cancer-free future—in Boston and around the world. Together, we're all Jimmy, and we can defy cancer at every turn.
