

How Your Support Can Help Defy Cancer

For over 75 years, supporters of Dana-Farber Cancer Institute and the Jimmy Fund have powered a mission of hope and progress: advancing lifesaving research, expanding access to exceptional care, and improving outcomes for cancer patients around the corner and across the world.

Your generosity fuels discoveries, drives new treatments forward, and helps ensure every patient receives expert, compassionate care. **Here are some examples of how donations from the PMC community could be used:**

- \$25** Provides activities for pediatric patients in the Jimmy Fund Clinic
- \$100** Provides a patient with a visit from a clinical social worker
- \$150** Helps provide specialized cancer diagnostic supplies
- \$250** Can support Dana-Farber's Mammography Van, providing mobile screening and breast health awareness services
- \$500** Can fuel specialized monitoring and testing used in the research of new and experimental treatments
- \$1,000** Can provide support for new breakthrough clinical trials

For more information, visit PMC.org or contact the Pan-Mass Challenge at panmass@pmc.org or 781-449-5300.

Dana-Farber Cancer Institute has been the top-ranked cancer hospital in New England by *U.S. News & World Report* for 25 consecutive years, and is the only cancer center in the country ranked in the top 3 for both adult and pediatric cancer programs.
